## WLIV AM 920 & WLIV FM

Our public affairs and issues feature **FOCUS ON COMMUNITY** regularly brings to our airwaves local officials, newsmakers, and others who discuss matters of interest to our listening audience.

**FOCUS ON COMMUNITY** is heard on both **WLIV AM** and on **WLIV FM** so as to reach both audiences with matters that concern and affect them and the lives of others in the community.

**FOCUS ON COMMUNITY** welcomes participation by elected officials, community leaders, civic leaders, and organization spokespersons to help us enlighten and inform the public.

Most recently featured on **FOCUS ON COMMUNITY** with emphasis on the Monterey community has been:

*Monterey's new \$475,000 block grant to improve sewer services to the town. The project will replace existing sewer lines that have been in the ground and in service since the 1960's. Further plans were also reported about a planned project to build a new sewer plant at the end of Stewart Avenue in Monterey. Our report also featured an interview with Mayor Bill Wiggins,*
