WLIV AM 920 & WLIV FM 104.7

Overton county's school system has been the subject of much attention in recent months due to conflicts between some board members and the hired director of schools.

WLIV AM & FM have been diligent to keep the public informed of developments between the board and the director and to report that the director would NOT be automatically rehired after his current contract ends June 30, 2016.

Through on-going coverage, the public has been made aware of the issues created by this situation.

We believe that helping our community better informed is typical of the year-round, on-going best efforts of this broadcaster.
