WLIV AM 920 & WLIV FM 104.7

Topic: Overton County Closings due to Coronavirus

The outbreak of Coronavirus, has brought about many unexpected closings and other changes in our community

WLIV AM and WLIV FM both created special news coverage and public affairs programming to address the changes to business hours, church service times, work schedules, schools, etc.

We encouraged all the community to send us or bring us information about their new hours, their closings, etc. The community responded generously and both AM & FM broadcast this information repeatedly over a several day period to "get the word out".

We believe this is what local radio should be all about.....providing information to the community and striving to reach as many citizens as possible with such timely, relevant information.

We think in crisis times such as the one we are in radio provides the link to the community that civic leaders, elected officials, school officials, churches and businesses need to reach out to the people.

WLIV AM and WLIV FM are proud to provide this service.

Placed in the public file March 23, 2020.
This First quarter, 2020 program material was carried on:
