Monterey High School (MHS) had a great boys basketball 2017-2018 season. The team advanced to the Boys State Basketball Tournament. Games were always played during working hours, making it impossible for many fans, parents and grandparents, etc to actually travel to Murfreesboro, Tennessee – site of the state tournament – to see the games in person. We broadcast live play-by-play of Monterey's two state tournament games:

March 15th (state quarterfinals)

March 16th (state semifinals).

Unfortunately MHS lost out in their second game.

We also broadcast live play by play of two MHS games played in the District tournament, prior to their advancing to state-level competition. We broadcast MHS district games on

February 12

February 16.

WLIV FM – through our MONTEREY NEWS AND EVENTS PROGRAMS – regularly reports on MHS sports and reminds residents of upcoming games so the community can rally around their high school teams and encourage the young MHS athletes who give so much of themselves to their “MHS Wildcat” teams.
