**PUBLIC AFFAIRS TOPIC: Free Food Drive During Shut-down**

**GUEST: Co. Executive and Mayor**

Boxes of free food were assembled from donated food items by local businesses and those free boxes of food were distributed to the public – anyone needing the food – on Friday, April 10.

On Thursday, April 9, County Executive Ben Danner and City Mayor Curtis Hayes were guests on WLIV's public affairs programming to talk about the free food drive.

The pair also updated our listeners on the most recent data about the Covid-19 situation in Tennessee, the Upper Cumberland region, and most specifically about the situation here in our county and our town.

In addition to the original airing of this material, this interview with these two elected officials, representing the local governments at the county and city level, was broadcast several additional times over a two-day period (April 9 and April 10) to reach the maximum number of local residents/listeners.

Both WLIV AM and WLIV FM carried this program.

We believe this information was vital to the public interest in these difficult times and WLIV AM and WLIV FM welcome such programs.

Placed in the public file April 15, 2020.  
This second quarter 2020 program material was carried on:
