**PUBLIC AFFAIRS TOPIC: Upgrades & Improvements**

**GUEST: Monterey Mayor Bill Wiggins**

The Town of Monterey has approved bids and plans to move forward with at least three city improvement projects.

Mayor Bill Wiggins, on our FOCUS ON COMMUNITY program outlined the top three areas city government is currently focusing on to improve the quality of life in the local community. The Mayor told our audience:

A utility project has been approved for the Holly Street area, near I-40 exit 300. The project, Mayor Wiggins says, will include water and sewer line construction to that area of town.

Bids have been taken on construction of new rest room facilities at the Bee Rock recreational area.

Paving will be starting in the next few weeks on several streets inside the Town of Monterey boundaries.

Mayor Wiggins is a frequent guest on our public affairs program and we are glad to help keep the Monterey community informed of developments and issues in their town.
