On Focus On Community, we interviewed Jimmy Neal of the Tennessee Highway Patrol (THP) about an upcoming seminar that the public is encouraged to participate.

The seminar – a “Citizen's Academy” – will be a three hours per week session for a total of ten weeks. Registration is open to residents age 19 and over in all counties served by the THP office in which Mr. Neal works.

Participants will interact with troopers and learn more about the role troopers play in our community.

Our interview with Jimmy Neal of the THP airs starting January 15, 2019 and will continue to air at random times and random days through February 28th.

The Citizen's Academy will begin in March.
