

PUBLIC FILE

WLIV AM 920 & WLIV FM 104.7

The newly-reorganized Overton County Anti-Drug Alliance, now under the oversight of former Livingston Police Chief Roger Phillips, asked WLIV AM-FM to help them get the word out about TEEN CHALLENGE, a rehab center in Livingston.

Through a series of free, 8 minute length interview programs, our stations have explained what is available, what services TEEN CHALLENGE provides, and contact information useful to individuals who could be helped by the programs offered at TEEN CHALLENGE. s

The eight minute programs were aired at various times and on various Sundays (morning and afternoon time slots) because the message of the interview was getting the local faith community informed and involved in TEEN CHALLENGE.

The exact air times can be verified by the program logs.
