

PUBLIC FILE

WLIV AM 920 & WLIV FM

Our public affairs and issues feature **FOCUS ON COMMUNITY** regularly brings to our airwaves local officials, newsmakers, and others who discuss matters of interest to our listening audience.

FOCUS ON COMMUNITY is heard on both WLIV AM and on WLIV FM so as to reach both audiences with matters that concern and affect them and the lives of others in the community.

FOCUS ON COMMUNITY welcomes participation by elected officials, community leaders, civic leaders, and organization spokespersons to help us enlighten and inform the public.

We recently featured on **FOCUS ON COMMUNITY**:

An interview with Danielle Clemmons from Adult and Teen Challenge of the Upper Cumberland.

This not-for-profit organization counsils people with addiction and other life challenging problems through a fourteen month program at its facility.

Our feature was intended to both make the public aware of the facility and to also make them aware of what the facility does for people in our area with the kind of issues addressed by the Challenge facility.

Placed in the public file August 28, 2018.

This particular program material was carried on:
