

# PUBLIC FILE

**WLIV AM 920 & WLIV FM 104.7**

Realizing the dangers of extreme summer heat, both WLIV AM 920 and WLIV FM 104.7 created and aired a series we call "SUMMER HEAT" to inform, alert, and educate our listening area if the dangers associated with the hot summer temperatures we have in our area.

*Our topics covered:*

**Heat and Older Adults**

**Staying Hydrated**

**How to Stay Cool (dress, etc.)**

**Checking on those without proper housing**

**Pet care during Summer Heat season**

**Dangers of Outside work in hot temperatures**

**How To Spot Heat-Related Illness**

**Chronic Medical Conditions and Summer Heat**

**Heat Exhaustion, Heat Cramps, and other dangers**

**Sunburn and Heat Rash**

**Broadcast dates for this WLIV AM & FM special series on the issues caused by "SUMMER HEAT"....June 21-August 31, 2018.**

Placed in the public file 28 June, 2018.
