“DISCIPLINE” is the topic to be covered in the January 31 meeting of the Stephens Center Parent-Child connection class.

Nuturing Parenting Skills is the overall theme of the sessions at this time.

WLIV AM and WLIV FM have, since the beginning of these sessions, made listeners aware of their being offered, when and where they are held, the current topic and other information to help parents who are raising children (often it is grandparents who are raising dependent grandchildren).

WE AT WLIV AM 920 & FM 104.7 BOTH RAN (IN JAN, 2018) THIS ITEM IN RESPONSE TO THE NEED FOR LOCAL RESIDENTS TO BE AWARE OF AND TO ATTEND THESE NUTURING PARENTING SKILLS CLASSES, AND IN PARTICULAR TO HEAR ADDRESSED THE ISSUE OF DISCIPLINE. WE BELIEVE - CONSIDERING THE LACK OF DISCIPLINE IN HOMES, SCHOOLS, AND SOCIETY AS A WHOLE - THAT THIS IS AN EVER-GROWING ISSUE AND IS A VITAL CLASS FOR ANYONE RAISING CHILD.
