PUBLIC AFFAIRS TITLE: A Week-Long Community Program  
SUBJECT: Live From County Fair with Local Guests

The annual Overton County Fair is the gathering place each year where people meet, reunite, visit, and have a week of old-fashion fun.

WLIV AM & FM broadcast live coverage of fair week from Sunday through Saturday. Our "fairground studio" is the gathering place where locals stop by and are interviewed by WLIV announcers from 4pm to 8pm nightly.

Guest during fair week include both county and city elected officials. In an election year, such as this, we open our airwaves to any and all candidates to stop by and have equal free time with their opponents.

Live programming from the fair includes interviews with civic leaders, volunteer groups, clubs, fire departments, school orginations, fair personnel, business leaders, churches, and many others.

Our week-long "live from the Fair" the last week of July is an on-going week-long public affaiirs/public service undertaking by WLIV AM & FM. Response to this year's fair week broadcasts was tremendous.
