## WLIV AM 920 & WLIV FM

The new Livingston Central Park was chosen as the scene for an area-wide evangelistic crusade involving nine different churches in the WLIV AM-FM service area.

Our FOCUS ON COMMUNITY series featured an interview with Timmy Ray, one of the leaders in organizing and carrying out the crusade. He discussed the crusade and why it is being held.

Our feature highlighted the various Baptist churches which were participating in the twelve night event (September 17-28). The churches participating were: Hilham, Fellowship, Allons, Stewart's Chapel, Etter, Three Forks, Columbia Hill, and Jamestown.

The free event was held nightly and open to any and all who wished to attend.

Helping make the public aware of this - we believe - was a service to our community which we were proud to provide.

Placed in the public file 9-25-, 2018.
