**PUBLIC AFFAIRS TOPIC: City Election to be June 3rd**  
**GUEST: Election Commission Director Craig Story**

**Voters in the Town of Livingston will choose three aldermen (city council members) and a mayor in voting on Wednesday, June third.**

**Because of so many changes to our normal lifestyle prompted by public concerns over Covid 19, WLIV AM and WLIV FM reached out to our local election commission head and had him as our guest on FOCUS ON COMMUNITY, our on-going public affairs program.**

**Mr. Story talked about the safety steps the election commission is taking to insure that voters can feel safe when they visit their voting precinct to choose their public servants. Mr. Story assured voters that every precaution is being taken to provide a clean, virus-free, safe voting area for Livingston citizens.**

**Sanitary wipes will be available to each person as they enter the voting area. Sanitary wipes will be available as each voter leaves the voting machine area.**

**Mr. Story says additional steps above the normal were also taken in the just-completed early voting period.**

**To help our community to have as large a voter turnout as possible, we broadcast Mr. Story's appearance on our FOCUS ON COMMUNITY program multiple times in various dayparts in order to reach as many people as possible.**
