

PUBLIC FILE

WLIV AM 920 & WLIV FM 104.7

Tuesday, May 1, 2018 was the date of the Overton County Democrat and Republican primary elections.

Both WLIV AM and WLIV FM broadcast on election night from the election headquarters in the Joe L. Evins Community Center on West Broad Street.

On this "AM/FM simulcast" broadcast we reported the vote totals both precinct by precinct as they came in to the county election commission office and the running totals from first precinct through early vote totals and final results (winners and losers).

In addition, WLIV AM & FM opened our microphones to each and every candidate – whether successful or not – to take a few minutes to talk with the voters by way of our program. Many of the candidates used this opportunity to talk at length on election night.

Also, Mr. Ben Danner – who ran unopposed for re-election to his current office County Executive – talked in detail about current issues in county government, what has been accomplished recently, and what is in the works to make our community a better place for all in the future.

Our program ran for two hours – from 7:00 PM to 9:00 PM.

Placed in the public file 2ND QTR. (5/4), 2018.

This particular program material was carried on:
