PUBLIC AFFAIRS TOPIC: New Director/Plans for Clay Co. Chamber
GUEST: Doug Young, new director

Clay County's Chamber of Commerce has announced that a new director has been named. The new director is Doug Young, well-known already in the Clay County community from his years in public education.

WLIV AM/FM had Mr. Young as our guest on FOCUS ON COMMUNITY to talk about his new role and what his plans are for the immediate future at the Clay County Chamber.

Mr. Young told listeners the Chamber is currently working on a new strategic marketing plan for the county. They are also about 70% complete with an overall plan for the county. Mr. Young says - like so many other areas of life - the Clay County Chamber of Commerce is hampered by Covid 19 from doing other things they would like to be focusing on.

Mr. Young says he plans to work hard looking for and securing dollars for Clay County which can be achieved through his office applying for various grants. This, Mr. Young says, is something that can be done even with the pandemic hampering so many other areas of normal life.
