## WLIV AM 920 & WLIV FM 104.7

Relative Child Caregiver Support is available to grandparents, aunts, uncles, etc. in the communities that are served by WLIV AM & WLIV FM.

In order to make those who are eligible for this very helpful program more aware of its existence and what is offered by and through the program, WLIV AM and WLIV FM aired a series of FOCUS ON COMMUNITY features in which we interviewed Vicki Reels of the Relative Child Caregiver Program.

In her comments was information as to: who is eligible, what is offered, how to apply and who to contact for help in getting started in the program.

We believe this feature, aired as part of our on-going FOCUS ON COMMUNITY, is a program that needs to be spotlighted in order to make those seeking and needing help with such issues more aware of the help that is available --- for the asking.

WLIV AM and WLIV FM are proud to provide this information to our listening audience as a public service feature.

Placed in the public file 3-11-19, 2019.
