Topic: CASA foster care

Guests: Susan Walsh and Mike Gilpatrick

The CASA foster care program reached out to WLIV RADIO....seeking our assistance to inform and promote the CASA program in Overton county. The program director, Susan Walsh, along with Mike Gilpatrick, a long-time member of the Overton County School System visited our studios to ask for our assistance promoting the CASA foster care program.

WLIV immediately began airing an informative campaign that explains what CASA is, does, and provides.

WLIV also pledged its on-going support to the fund-raising efforts of CASA in the months ahead.

We welcome future opportunities to work with Susan and Mike to help the CASA foster care program be all it can be and help as many local people as possible.

Both WLIV AM and FM broadcast this information as part of our on-going commitment to public affairs programming that benefits our community.
