Topic: Overton County Corona Virus Response

Guest: Various County Leaders

The outbreak of COVID 19, also known as Coronavirus, has brought about many changes in the lives of people locally and all across the nation and around the world.

A special meeting was held to inform the public of what steps local government and services have and are taking in the wake of this new, frightening pandemic.

WLIV AM and FM both broadcast (by recording) the entire meeting which was held at Livingston City Hall on Friday, March 20 at 10:00 AM. WLIV has repeated that broadcast over a four-day period at various times of the day so that we can reach as many in our community as possible.

Speaking on the program and outlining what their department/office is doing were:

Livingston Mayor Curtis Hayes    County Executive Ben Danner  
Schools Director Mark Winningham    Sheriff John Garrett  
Livingston Hospital's Tim McGill    Police Chief Greg Etheredge  
Health and Rehab Center's Scott Balch    911 Director Chris Masongille  
Health Department's Andy Langford and Megan Reeder

WLIV recorded and is airing – on multiple days – in its 48 minute entirety – this program dedicated to the safety & public welfare of our community.

Placed in the public file March 21, 2020.
