

PUBLIC FILE

WLIV AM 920 & WLIV FM 104.7

Our radio stations have devoted time to broadcast the recent candidate debates which were held at the high school mini theatre and featured both candidates for county executive. Ron Cyrus, republican and Ben Danner, democrat participated. They each discussed current and future issues facing our county and outlined their plans to deal with those issues.

We also broadcast the debate between all three candidates – independent J.D. Masters, democrat Robert Garrett and republican John Garrett. Various community issues were discussed and planned solutions to those problems were proposed by each of the three candidates.

These broadcasts of the two debates were aired:
County Executive debate on Monday, August 4, 2014
County Sheriff debate on Tuesday, August 5, 2014

We believe that helping our community to make wise choices as to which candidates they vote for – based on our airing the issues – is worthy of the very best efforts of this broadcaster.

Placed in the public file on 6th (day) of August,
2014.
