**WLIV AM 920 & WLIV FM 104.7**

As the anniversary of the 9/11 attacks on our homeland approached, Mr. Michael Powell, director of the local campus of Vol State Comm. College approached this station to partner with the school, community, and others to hold an observance of the day that forever changed our nation.

We were honored to provide promotion, news coverage, and donated air time to broadcast the event in its entirety.

The attached pages document and trace the involvement of WLIV AM & FM in this.

We believe that our efforts on the 9/11 project made our community far better informed. This is typical of the year-round, on-going best efforts of this broadcaster:
