Public Affairs Feature: Fundraiser for local benefits

Guest: Henry Paul

Those living in Livingston and Overton county will benefit from funds raised at a special concert to raise money for local chairitiies and cancer research.

The September 28 concert at Livingston's Central Park, featuring Blackhawk, Scooter Brown Band, and Journeymen will benefir the local Carcinoid patients, cancer research, local cancer philanthropy, college scholarships for Livingston Academy seniors, and the Livingston Academy Quarterback Club.

Henry Paul was on WLIV AM and FM to promote the event and to help ticket sales which will translate into more money for these local projects.

Overton county has a very high rate of cancer patients per capita.

We are proud to have provided coverage of this very worthwhile community event and provide pre-event information and publicity.
