Re: **EEO Audit Response**
Community Broadcasters, LLC
WFRK(FM), Quinby, South Carolina, Facility ID 183329

Community Broadcasters, LLC (“Community”) hereby responds to the FCC’s March 22, 2024 EEO Audit Letter (“the Letter”) directed to the above-referenced station. This Station is part of an employment with commonly owned radio stations WSIM(FM), Lamar, South Carolina (Facility ID No. 55269); WWKT-FM, Kingstree, South Carolina (Facility ID No. 15836); WOLH(AM), Florence, South Carolina (Facility ID No. 73400); WHYM(AM), Lake City, South Carolina (Facility ID No. 24149); and WPDT(FM), Coward, South Carolina (Facility ID No. 66643). The employment unit currently has eight (8) full-time employees and, accordingly, Community hereby responds to each of the lettered paragraphs of the Letter.

2.(b)(i) Copies of the employment unit’s two most recent Updated EEO Public File Reports, covering the reporting periods ending on July 31, 2022 and July 31, 2023, are attached.

2.(b)(ii) A copy of the most recent report is available on the websites of WSIM at <http://cbpdradio.com/frank937/>, WFRK at <http://cbpdradio.com/wfrk953/>, WWKT-FM at <http://cbpdradio.com/wwkt/>, WPDT at <http://cbpdradio.com/almighty1051/>, and WOLH at <http://cbpdradio.com/wolh/>. Please note that WHYM is a 100% simulcast of WFRK and as such the report can be found on the WFRK website. Each station website contains a link to the employment unit’s EEO Public File Report. The date on which each full-time position was filled is included in the EEO Public File Report.

2.(b)(iii) The date each full-time position was filled is included in each EEO Public File Report. Copies of communications announcing the job openings listed in the employment unit’s Public File Reports are attached. Please note that this employment unit does not have any *entitled sources*.

2.(b)(iv) A table that provides the total number of individuals interviewed for each full-time vacancy as well as the referral source for each interviewee is included below.

Position	Date Filled	Number of Interviewees	Source(s) Producing Interviewees
Program Director	4/4/22	9	INDEED.COM
Program Director	4/24/23	15	INDEED.COM

2.(b)(v) Attached is documentation of the employment unit's involvement in the recruitment initiatives identified in the Public File Reports. The employment unit currently has 8 full-time employees, and the stations are located in a market with a population of more than 250,000. Accordingly, the employment unit is required to perform 2 supplemental recruitment initiatives in each two-year period. The attached documents show that the employment unit hosted four job fairs during the two-year period covered by the reports and participated in one, local M.K., Inc., Teen After School Program of Georgetown, South Carolina.

2.(b)(vi) Community is not aware of any pending or resolved discrimination complaints filed against the employment unit during the period since Community acquired the stations.

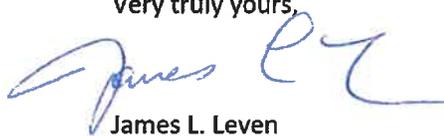

2.(b)(vii) During the period covered by this response, I, as Community's President have had primary responsibility for implementing the unit's EEO policies. In all job postings, Community includes a statement confirming that it offers equal employment opportunity to all qualified applicants. Community's policy manual also confirms to employees that Community is an equal opportunity employer and provides details on the company's EEO policies and program.

2.(b)(viii) Community understands that it must periodically analyze the effectiveness of its EEO recruitment program. We typically review our EEO program on an annual basis, but also conduct periodic brainstorming sessions to share ideas about improving our vacancy-specific and general recruitment efforts to better inform the Florence community and its surrounding neighbors about career opportunities in broadcasting. I, as the President of the company, have been pleased with the response we have received from our outreach to Indeed, as demonstrated by the number of diverse interviewees this source has produced routinely for our full-time openings. We will continue to broadcast on-air announcements and inform Indeed about all full-time job openings. To further broaden our outreach, we will also post positions on the website of the South Carolina Broadcasters Association as well as all colleges and universities within the lower state of South Carolina. We are especially proud of our efforts to host very popular and well-attended career fairs not only in Florence but also in Sumter and Orangeburg at least twice a year to inform South Carolinians about exciting career opportunities in radio broadcasting. Because of the success of these fairs, we plan to continue this practice, and remain optimistic that these career fairs will produce qualified candidates for us in the future.

2.(b)(ix) During the period covered by this response, Community has continually analyzed its pay, benefits, seniority practices, promotions, and selection techniques to ensure equal opportunity. Due to the small size of the employment unit and the economic climate of the past years in the stations' market, there have not been significant opportunities for promotion at the employment unit. Nonetheless, in my role as President, I am continually analyzing the performance of all employees to allow for merit-based promotion at any appropriate time. The employment unit is not party to any union agreements.

2.(b)(x) Community is not a religious broadcaster.

Very truly yours,

James L. Leven
President

Subject: What a big day
Importance: High

8/3/22

Our third Career Fair, and the biggest by far. Over 122 Vendors in the three markets, and over 451 job seekers in the three markets. We had people coming in at 3 pm today. The Vendors were happy, and got lots of applications, and some people got hired on the spot!

Sales staff, do NOT forget TOMORROW to call/email/text/send smoke signals...to your clients, and thank them for their participation, and remind them that we have the "post-Career Fair" Schedule they can run for two weeks, to remind job applicants that they are still hiring, and to go there and apply. If you wait, you won't get this. Get it while they remember the good feeling they had with Job seekers standing in front of them. This message is for all Sales staff in all three markets. This must be done Tomorrow, Thursday.

Also make sure you remind every vendor that we will do this again, 3rd week in January 2023. We will have the Sales package for you by the 1st of October to start selling ahead.

Thanks to all who got us this victory. production, Programming, Business Offices, Producers, on air staff, Sales, etc. We could not have done this without your diligent help.

Celebrate the Victory.

Josiellia,

Thank you for your excellent presentation. Our students were motivated and inspired by your presentation on Wednesday, June 28, 2023. Their interest in careers in radio broadcasting has increased. Thank you for sharing information about the many different careers associated with radio broadcasting.

You made the presentation special when you had the students' read commercials and then engaged them in making a commercial you may use. They enjoyed every moment of your presentation.

We look forward to inviting you in the Fall to present additional workshops with our students. If we may support your broadcast on Star 97.1, please let us know.

Again, thank you for your support of our students.

Sincerely,
