Children's Television Act Certification

Dear Affiliate:

This letter is intended to assist you in satisfying your obligations under the Children's Television Act of 1990 (the "CTA") and the FCC regulations relating thereto in connection with your carriage of our video programming services (the "Discovery Networks").

The attached schedule lists the Discovery Networks that aired children's programs (as defined in the CTA) last quarter and identifies the children's programs aired on each such network. The schedule excludes all networks distributed by Discovery that did not air children's programs last quarter (Discovery Channel, TLC, Animal Planet, Investigation Discovery, Destination America, Science, American Heroes Channel (formerly Military Channel), Discovery En Español, Discovery Life Channel (formerly Discovery Fit and Health) and MotorTrend (formerly Velocity)).

Discovery Communications, LLC certifies that, as standard practice, the children's programs identified on the attached schedule are formatted so that the total commercial time (including local ad avails) is no more than 10.5 minutes per hour on weekends and 12 minutes per hour on weekdays. This is in compliance with the CTA and the rules and regulations of the FCC.

We trust that this enables you to satisfy your obligations under the CTA and its regulations in connection with your carriage of the Discovery Networks. Please forward this letter (or copies) to any other appropriate individual(s) in your organization. As always, we appreciate your support.

Sincerely,

Re: Children's Programming Certification

Dear Nisha:

This letter is in connection with the Children's Television Act of 1990 and the requirement under FCC regulations that cable television systems maintain records sufficient to determine whether they are in compliance with the commercial content restrictions of the Act for "children's programming" which is defined as "programs originally produced and broadcast primarily for an audience of children 12 years old and younger."

Re: Certificates of Compliance for the Children's Television Act of 1990

Dear Affiliate:

As of January 1, 1992, the Federal Communications Commission's rules ("FCC Rules") implementing the Children's Television Act of 1990 ("Act") require cable operators to maintain certain records regarding their compliance with advertising limits imposed on children's television programming. Accordingly, Turner Network Sales, Inc. provides the attached Turner Entertainment Networks' certificates of compliance for 4th Quarter 2018. Please note that the Act's advertising limits are inapplicable to CNN, Headline News, TBS, Turner Classic Movies, TNT, TruTV, CNNI, and CNNE as these networks do not carry children's programming. If there are any changes in the programming policies of these networks, we will provide you with updated certifications reflecting such changes.

To comply with the FCC Rules, please place the attached certificates of compliance in your system's public file(s) no later than the tenth day of the current quarter following the quarter in which the programming aired.

For your convenience, the certificates of compliance are also available online for your review. Please follow these steps in order to download the certificates:

- 1. Go to the Turner Resources web site at www.TurnerResources.com. [Note – if you do not have a user ID and password, you will need to register online with the web site.]**
- 2. From the homepage go to "Technical" and scroll down to "Compliance Notices." You can download the Q4 – 2018 certificates by clicking on Kid Vid Certificates and following the prompts.**
