Also, viewers will learn more about the struggle for survival for many of Africa's iconic animal species such as hippos, cheetahs, and elephants. **Jewels of the Natural World** will uncover these amazing facts of nature and teach audiences more about our fascinating natural world.

Program: Tails of Valor (E/I)

Rating: TV G

Length: 30 min

Series Description:

**Tails of Valor**, hosted by Kel Mitchell, is a live action, half-hour television program designed to meet the educational and informational needs of children aged 13-16. Tails of Valor captures the incredible true stories of the service animals working to change people's lives. From family and friends to animal trainers, we'll explore how these animals are readied to serve and how they not only change the lives of their owners and handlers, but also of those around them. We'll also examine the life science behind these relationships, including the animals' unique and powerful senses that enable them to protect their human charges. From service animals for children on the spectrum to service dogs for wounded veterans, **Tails of Valor** will educate viewers on the day-to-day jobs of these incredible animals and the quality of life they provide the people they serve, leaving them with a greater compassion for animals. Viewers will learn to see the world from different perspectives, and how those with disabilities experience everyday life and the challenges they face.
