CCSD & Marijuana Tax	Many supporters of recreational marijuana voted yes on question 2 because it was supposed to bring in millions of dollars to our schools. But with the CCSD in a huge deficit and slashing programs and jobs we wanted to see if that green was actually making an impact on education as promised. an estimated \$30 million will be made by the end of this year but CCSD Chief Financial Officer says the district gets a certain budget, about \$5,500 a student. That budget is funded by taxes, which includes marijuana taxes but says more taxes doesn't mean more money.	20-Sep	4am	2:08

ISSUE/TITLE/TYPE OF PROGRAM**EDUCATION**

		DATE	TIME	LENGTH
Safekey Registration	A new school year is about to begin and safekey is now open for registration. This is a before and after school programs for mainly working parents. You must register your child and pay all fees before showing up. You can do that online or in person. It costs anywhere from \$5 to \$20 a day.	25-Jul	5am	2:30
CCSD Survey Results	The Clark County School District's plan to cut down on the number of inappropriate relationships between staff and students is getting a thumbs up. A recent survey show approval for the draft regulations. The district received 1,611 responses to its survey, a majority of parents, to the question whether this draft policy spells out clear procedure for all CCSD Staff and Employees, 80% who responded either agreed or strongly agreed	24-Jul	6am	2:40
CCSD New Teachers	Two weeks before the first day of school, more than 1,000 new teachers were welcomed to the Clark County Educational Association's new teacher seminar. They cam from different states and some from different countries. They held a teacher orientation at Mandalay Bay to welcome the teachers.	1-Aug	4pm	2:44
First Day Of School	On the first day of school, Clark County School Superintendent Pat Skorkowsky says he's optimistic about this new year despite controversy surrounding last school year with teacher and faculty arrests for sexual misconducts with students. He says to make things safe learning environment the most important aspect is training and making sure no one crosses lines.	14-Aug	6pm	2:01
UNLV Diversity	UNLV is named the most diverse campus in the country, according to a U.S. News And World report. With nearly 30,000 students and more than half of UNLV's undergrads identify as a minority. Last spring the campus launched a new multicultural center and this year school leaders were quick to speak out in favor of their undocumented students.	13-Sep	4pm	1:45
UNLV Surgery Simulation	Surgery without ever having to touch a patient is now a reality at UNLV's School of Medicine. The state of the art technology is available at only 10 schools nationwide, and we have it right here in the valley. It's kind of like a video game but it's a virtual reality surgery. Everything you do you can feel here and see on your screen. Doctors call it cutting edge technology changing the future of education at UNLV.	27-Sep	10pm	2:24
