

The following is a summary of Issues/Programs as presented on WHXR, Scarborough, ME

The following topics/issues were addressed via the weekly “Community Connections” program in the fourth quarter of 2023.

“Community Connections” is a weekly, 30 minute community affairs program spotlighting organizations and individuals in Maine who address issues affecting citizens, work to improve the quality of life in Maine, and deal with human interest topics across many disciplines. Here is a rundown of the program contents for Q4:

Show: Community Connections Airdate 10/1/2023 Airtime: 5:30 am

Guest(s): Dan Brennan, Director, Maine Housing

Topic: With the onset of heating season around the corner, we chat with Dan Brennan, director of Maine Housing who administers the federal home heating assistance program LIHEAP on a state level. Maine Housing also administers a home weatherization program to help address energy efficiency for qualifying Maine residents. We discuss Maine Housing’s first-time homebuyer programs, as well as addressing the current housing crisis and growing homelessness issue in some of Maine’s most populous areas, and Maine Housing’s role in helping to find solutions to this issue.

Show: Community Connections Airdate 10/8/2023 Airtime: 5:30 am

Guest(s): Jessica Sidiero, Director of Development and Communication, The Iris Network
Amber White, Certified Rehabilitation Specialist, The Iris Network

Topic: We get to know Portland-based The Iris Network, an organization serving Maine’s blind and low-vision population. We discuss programs that help citizens with blindness and low vision with living skills, job skills, and methods to help people in everyday tasks. The Iris Network also manages specialized apartments for eligible visually impaired Maine residents.

Show: Community Connections Airdate 10/15/2023 Airtime: 5:30 am

Guest(s): Jennifer Costa, American Red Cross

Topic: Our guest discusses the recently-declared national blood emergency, the Red

Cross' first such declaration in 18 months. Weather events across the nation disrupted regular blood drive events at a time when regular blood donation usually resumes after a summer lull. We also discuss a multi-million dollar improvement project to modernize their Blood Donor Center in Portland, as well as the Red Cross' disaster response efforts, locally and nationally.
