

There follows a listing of some of the significant issues responded to by WRAM, along with the most significant programming treatment of those issues for the period of: February 1, 2017 to February 28, 2017. The listing is by no means exhaustive. The order in which the issues appear does not reflect any priority or significance.

Description of Issue	Program/Segment	Date	Time	Duration	Narration of Type and Description of Program/Segment
Political	Morning Show Interview	2-Feb	8:15 AM	15 MINUTES	<p>The Illinois State Senate is starting to work together to put an end to the state budget crisis. State Senator Jil Tracy describes how the Senate is crossing party lines to achieve what's best for the state.</p> <p>Tracy was one of the speakers at the Monmouth Chamber of Commerce Legislative Luncheon on Monday. The other speakers, Rep Randy Freese and Rep Norrine Hammond echoed Tracy's thoughts on the importance of working across bipartisan lines. Rep Norrine Hammond of Macomb spoke about the effects the lack of higher education funding on the State of Illinois. Rep Hammond went on to say that setting a budget will have to happen before the state can improve anything, but she is encouraged by the work being done in the senate to set a budget.</p>
Community	Morning Show Interview	16-Feb	8:15 AM	15 MIN	<p>The city of Monmouth and Monmouth College are nearing completion on a joint project to install a new storm sewer to alleviate chronic flooding on 5th Street and Boston. Monmouth College President Clarence Wyatt explains: The State of Illinois is seeing a declining student population at Illinois institutions and Monmouth College has been actively seeking students from other states. President Clarence Wyatt says currently, there are students from 33 states in America and 33 countries.</p>
Agriculture	Morning Show Interview	21-Feb	8:15 AM	15 MINUTES	<p>This week is National FFA week, and while many people think the FFA is only about farming, United FFA Vice-President Brooke Ryner explains what FFA is really about.</p> <p>But agriculture still plays a major role in the FFA. West Central FFA Advisor Darryl Giddings says the future is bright for students in agriculture. The FFA focuses on providing students with the abilities to achieve premier leadership, personal growth, and career success. The local schools celebrate National FFA Week with dress up days, fun</p>

					activities, and community service projects.
Health	Morning Show Interview	6-Feb	8:15 AM	20 minutes	<b>The Warren County Health Department still has plenty of flu vaccine left and Director Jenna Link says we are in the 2nd wave of the influenza season. There is an increase in sickness in the area right now: Link says the Influenza A is affecting people for longer time periods. Link says this one can take weeks to get over but you can still receive a flu shot at the Warren County Health Department as they have plenty of vaccine still available.</b>
City	Morning Show Interview	8-Feb	8:15 AM	20 minutes	<b>The Community Care Days Program has grown in the Monmouth area since 2009 and includes volunteers from 8 churches with a vast number of local projects. Member Stan Jenks has more....Another work day occurs in the fall with the assistance of over 60 volunteers from Monmouth College. The Auction Fundraiser for the Community Care Days Program takes place on Sat. Feb. 27th at the Monmouth American Legion at 5 p.m.</b>
Education	Morning Show Interview	22-Feb	8:15 AM	15 MINUTES	The Regional Office of Education has been given a grant to assist early childhood development. Superintendent Jodi Scott explains: Scott also said GED classes are back up and running in Galesburg and Monmouth. The Regional Office of Education has been increasing their education for the school districts regarding behavioral mental health.
