WAGM/EAGM/GAGM and WWPI POLITICAL ADVERTISING DISCLOSURE STATEMENT

This disclosure statement describes the political advertising policies of WAGM/EAGM/GAGM and WWPI to comply with the requirements, rules and regulations of the Federal Communications Commission. These policies apply to the purchase of advertising time for “uses” by legally qualified political candidates. A political advertisement or program involves a “use” if it includes the recognizable voice or image of the candidate. Candidates may be asked to demonstrate that they control, approve, or sponsor particular advertisements or programs.

ACCESS

Reasonable access to WAGM TV’s facilities for the purchase of airtime will be provided to all legally qualified candidates for federal office. Non-federal candidates will be offered access to the WAGM TV’s facilities to the extent circumstances permit. While candidates may request specific amounts of time or time periods, WAGM TV will consider all requests for time on an individual basis and reserve the right, in its sole discretion, to determine what constitutes reasonable access and equal opportunity.

RATES OFFERED BY THE STATION(s)

WAGM/EAGM/GAGM TV and WWPI TV sell commercial time in basic thirty second increments throughout the day. The rates for sixty second announcements are two times the thirty second rate. Rates for fifteen-second standalone announcements are 50% of the thirty-second rate for all rate levels. Non thirty- second rates are rounded up to the nearest dollar. Please contact the station for non-standard length requests.

The station offers the following classes of time:

1. Fixed (Level 1) P-01 : Fixed announcements will not be preempted by WAGM/EAGM/GAGM and WWPI.
2. Buy (Level 2) P-02: Pre-emptible announcements with advance notice and make goods offered. 80-90% clearance.
3. PE (Level 3) P-03: Immediately pre-emptible without advance notice and make goods offered as avails permit. 55-65% clearance
4. PE (Level 5) P-05: Immediately pre-emptible without advance notice and availability of make goods not likely. 25-40% clearance (rates available as requested)
5. Rotators/DR (level 6) P-07 & P-08: These spots are placed after all standard spot schedules that are ordered for specific programs and/or time periods are satisfied. The actual placement of these spots within the assigned rotations is at the sole discretion of WAGM TV for all stations. Rotators are immediately pre-emptible without advance notice and availability of make goods not likely. (rates available as requested)

The probability of clearance can and will change as demand on inventory changes for specific programs, dayparts, days of the weeks and weeks. Check with the station representative for the latest estimations before placing an order.

At the end of each week, WAGM/EAGM/GAGM TV and WWPI TV will audit rates for all political time sold to ensure that the rates charged to legally qualified candidates reflect the actual lowest rate and advertiser paid for time that cleared for each class of time during the preceding week. Refunds will be issued or credits offered on a timely basis for any overcharges.

Pre-emptible announcements, both with notice and without, may be pre-empted by a higher rate announcement. See the make good policy on page 2.

Rate sheets will be provided upon request that set forth the specific time periods within which announcement time may be purchased, and the rate structure for each class of time, time period, and programs for weeks indicated.

If a candidate does not use an advertising agency, the Stations will discount the rate charged to the candidate by the amount of the agency commission, which is currently 15%.

LOWEST UNIT RATE

Candidates are entitled to receive all discount privileges otherwise offered to commercial advertisers and will be treated on par with commercial advertisers of WAGM/EAGM/GAGM and WWPI. Candidates will be charged the L.U.R for each class of time during the forty-five (45) days preceding a primary election and the sixty (60) days preceding a general election, except as set forth in the third-party advertising section on page 3. When a candidate purchases time outside of the election periods, that candidate will be charged rates comparable to then current commercial advertisers.

The L.U.R may vary weekly depending upon the price of announcements actually broadcast during each week. Please call prior to placing an order to confirm current rates and programming.
