

KWTX TV airs numerous educational informational programs for children. Reports about such programs are required under FCC regulation to be placed in the station's public inspection file on a quarterly basis. The most recent report for Station KWTX TV has been placed in our file, and is available for public inspection during our regular business hours at the KWTX studio, 6700 American Plaza, Waco, Texas or go on line at [www.fcc.gov](http://www.fcc.gov).
