This certification is in addition to the attached list for the FCC's Issues/Programs Report for this quarter. WYBU 16 routinely produces and airs approximately 190-198 hours of programming each quarter, which helps to educate people in skillful, purposeful living, in addition to those already listed in the quarterly report. These meaningful programs help one to manage life's issues, are based on Biblical principles and precepts, and are accomplished through a live phone-in program.

"You & Me" (Mon-Fri. 12:30 a.m.-3:30 a.m.) is aired live each night with the host/hosts answering questions and praying for a variety of topics. Issues covered include: family relationships, race relationships, race relations, women's issues, health, community ventures and co-ops; teenage issues; as well as finances, adult education, substance abuse – prevention – recovery; soup kitchens, homeless ministries, and help for impoverished people. This program has proven to be an ideal opportunity to help and minister to the lonely, hurting, distressed, and struggling.

"You & Me" is not scripted and therefore have no specified format so it is not possible to include a rundown or analysis of each program for this report. There are numerous other categories covered that are not mentioned here due to the fact that the host/hosts often select a specific theme for the night.
