There will be a Town Hall meeting held by the City of Comanche at the Comanche Community Center on Thursday, April 21st, 2022, at 6:30 PM. This meeting will be led by the City Secretary who will be accompanied by staff members of the city. This will give the Citizens of Comanche an opportunity to meet the newly appointed City Secretary and the City staff. This will also give our citizens the opportunity to hear ideas and updates from the City on the performance of on-going projects with-in the City Limits of Comanche in the attempt to better our community.

Did your property sustain damage during the recent fires? From Jo Ann Hohertz, R.P.A., C.C.A., Chief Appraiser If so, you may qualify for a new property tax exemption. In an area declared a disaster area by the Governor, Tax Code Section 11.35 allows a qualified property that is at least 15 percent damaged by a disaster to receive a temporary exemption of a portion of the appraised value of the property. A property owner must apply for the temporary exemption and the deadline for application is July 1, 2022, (105 days after the governor declares a disaster area). Governor Abbott declared a state of disaster in Brooks, Brown, Coleman, Comanche, Eastland, Grayson, Mason, Potter, Randall, Runnels & Williamson Counties on March 18, 2022, so this exemption applies to these counties. Comanche County Commissioners Court voted to close the Old Cora Courthouse Museum to the public on Tuesday. This decision was made after the County reviewed the condition of the structure with the Texas Historical Commission and preservation consultants, Komatsu Architecture, and it was determined unstable. The log structure was restored in 2004 and the County has regularly maintained the building. Deterioration of the north-facing façade was noted over the past few years. The County has actively monitored its condition since that time. The deterioration is due to water drainage issues and typical weathering expected of this type of log structure. Since January, the façade has rapidly deteriorated to the

point that it now poses a danger to the public. Old Cora will reopen once the structure is repaired and stabilized.

Old Cora was constructed in 1857 and was the County's first courthouse. Since that time, the building has been moved four times, with its final home on the southwest corner of the Courthouse Square. The structure is designated as a Recorded Texas Historic Landmark. The County plans to repair Old Cora and is actively applying for grant funding through the Texas Historical Commission. Grant awards will be announced in November

EMERGENCY DISASTER DECLARATION

THIS DISASTER DECLARATION PROHIBITS THE SALE AND USE OF ALL FIREWORKS IN THE UNINCORPORATED AREAS OF COMANCHE COUNTY EFFECTIVE IMMEDIATELY.

Due to the continued extreme fire danger in the area, I have adopted a Declaration of Disaster and Order Prohibiting Outdoor Burning for Comanche County, Texas. While this is an extraordinary remedy, I feel it is necessary. This decision was supported unanimously by the Comanche County Commissioners' Court. The decision was made after much consideration and consultation with local elected and appointed officials, local volunteer firefighters, as well as listening to the concerns of the citizens of Comanche County. Comanche County has extremely dry drought conditions and there is an abundance of dry fuel that worsens the situation for wildland fires.

****This order does not ban commercial/professional firework displays. This Declaration and Order has been transmitted to the Office of the Governor with a request that this Disaster Declaration remain in full force and effect beyond 60 hours from the date of its issuance and that it be extended until such time as the Comanche County Burn Ban is lifted.**

EMERGENCY DISASTER DECLARATION

THIS DISASTER DECLARATION PROHIBITS THE SALE AND USE OF ALL FIREWORKS IN THE UNINCORPORATED AREAS OF COMANCHE COUNTY EFFECTIVE IMMEDIATELY.

Due to the continued extreme fire danger in the area, I have adopted a Declaration of Disaster and Order Prohibiting Outdoor Burning for Comanche County, Texas. While this is an extraordinary remedy, I feel it is necessary. This decision was supported unanimously by the Comanche County Commissioners' Court. The decision was made after much consideration and consultation with local elected and appointed officials, local volunteer firefighters, as well as listening to the concerns of the citizens of Comanche County. Comanche County has extremely dry drought conditions and there is an abundance of dry fuel that worsens the situation for wildland fires.

****This order does not ban commercial/professional firework displays. This Declaration and Order has been transmitted to the Office of the Governor with a request that this Disaster Declaration remain in full force and effect beyond 60 hours from the date of its issuance and that it be extended until such time as the Comanche County Burn Ban is lifted.**
