KRLD Midday News  
10/2/19  
10:52 am  
2 minutes of 5 hour broadcast

It's become one of the most popular and well known fads in the diet world. The phrase "gluten free" is used almost everywhere as more products claim that they don't have any gluten. A new study finds, those words mean absolutely zero, unless you're a handful of people that are REALLY sensitive to gluten. It says, if you don't have the special conditions... you're wasting your money. KRLD's David Rancken spoke with our registered dietitian Amy Goodson...
