Leadership Brentwood

Narrative Describing the Issue or Program *

WHPY-FM hosted an open house at our new studio location in Brentwood, Tennessee for business leaders in Brentwood, Tennessee. The goal of the meeting was to let the business community of Brentwood, Tennessee (a suburban community of Nashville) know that for the first time a radio station was located within the community of Brentwood. Also, that the radio station was there not only to support the business community of Brentwood and Bellevue (our city of license) but that we are committed to the Middle Tennessee area as a whole.

The meeting was also created to begin relationships within the community where the studio was located. The Leadership Brentwood program is sponsored by the Williamson County Chamber Foundation, Inc. the non-profit arm of the Williamson, Inc. Chamber of Commerce. Leadership Brentwood is a non-partisan educational organization promoting education, awareness and interaction among the leaders of Brentwood and the surrounding community. It seeks not to resolve but to educate its participants on the issues facing the whole community.
