

NEWS TALK KVNU ISSUES LIST

October 1 to December 30, 2020

Submitted January 8, 2021

The station is locally owned (Sun Valley Radio, Inc.), locally operated and involved in the community we serve. It is the valley's tradition station of local news, information, entertainment, public service and involvement in the everyday lives of the people who live in the area. We are in our 83rd year of providing News-Talk-Sports programming for Logan, Cache County, Northern Utah, Southern Idaho and Western Wyoming.

NewsTalk KVNU carries more than six hours of local news, local events, agriculture, business, local news and sports talk, and features each day. We also program a variety of national talk programs; Rush Limbaugh, Dave Ramsey, Sean Hannity, George Noory, This Morning with Gordon Deal, Dr. Sanjay Gupta, Talk Radio Countdown, Handel On The Law, Kim Komando, Glen Beck, The Travel Show, Music and the Spoken Word, and History of the Saints. Each hour, at the top of the hour, features ABC Information News, keeping listeners informed of national and world news.

During each broadcast day, NewsTalk 610 KVNU maintains a thorough group of local public service announcements on happenings and events. They are used on a rotating basis, both recorded and ad-libbed by our news anchors. Weekdays at 6:27 a.m., 8:27 a.m. and 9:27 a.m. we feature special local people, events, activities and things going on or coming up that day or night.

Most hours of the broadcast day include at least a two-minute newscast near the bottom of the hour covering local, state and regional news. It is anchored by KVNU News anchors and other on-air News hosts.

The KVNU Morning News, with Al Lewis, Craig Hislop, and Will Feelright is local and live each morning, running wall to wall with local news, talk, weather and information, from 6 to 10 a.m. each day.

Our local talk show, For The People, a locally produced, news and issues talk show in the 4 to 6 pm hour weeknights. It is hosted by Jason Williams and Bill Walter, Monday through Friday afternoons.

We also address the specifically outlined issues at any opportunity on our NewsTalk 610 KVNU Local Newscasts.

Between October and December, KVNU was contacted multiple times by local law enforcement regarding road closures and severe traffic accidents.

October 3 & 4, KVNU broadcast general conference for The Church of Jesus Christ of Latter-day Saints. The two hour general sessions aired at 10 a.m., 2 p.m., and 6 p.m. on Saturday, and 10 a.m. and 2 p.m. on Sunday.

In December, News Talk KVNU joined our sister stations of the Cache Valley Media Group, sponsoring Cares for Christmas, soliciting donations from listeners to help needy families for Christmas. These were families who needed help, but weren't actively looking for help. On air, DJs/announcers mentioned specific needs for these individuals (who ranged in age from 2-81 years old). Donations of clothes, winter coats, toys, gift cards to local grocery stores and gas stations were dropped off at the station and then distributed to the families in need. Over 70 individuals were blessed with a special Christmas this year thanks to listeners' generosity.

KVNU also continued to offer tours and spoke to groups interested in radio. These groups included Boy Scouts of America, church and school organizations.

KVNU always runs extra commercials and announcements to help in this period promoting fundraisers and events. Some groups running schedules were Child and Family Support Center, Cache Valley for Hope, Alzheimer's

Coalition, Sub for Santa, Common Ground Outdoor Adventures, Chamber of Commerce, and other local groups having fund raisers to help ailing or needy people in our valley.

We also have a web site www.kvnutalk.com and www.CacheValleyDaily.com which instantly updates news, especially local news, plus has local community events calendars, and free classified advertising, plus business links. We use social media sites Facebook, Twitter and our Commotion smart phone app to also inform listeners.

We all live in our community and we believe in promoting all the good events and activities that our listeners are involved in, or could get involved in.
