CHILDREN'S PROGRAMMING CERTIFICATION FOURTH QUARTER  
(October 1, 2023, Through December 31, 2023)

This is to certify that the list set forth below identifies all programs and series aired by Three Angels Broadcasting Network, Inc. during the above-referenced calendar quarter that was originally produced and broadcast primarily for an audience of children 12 years old and under. As a standard practice, we formatted and aired each of the children's programs and series identified below so that the total commercial time (including local ad avails, promos for non-educational programs, and adjacent ads running before or after the program within the same clock hour) did not exceed 10.5 minutes per hour on weekends and 12 minutes per hour on weekdays, in compliance with the Children's Television Act of 1990 and the rules and regulations of the Federal Communications Commission (the "FCC"), the "Regulations").

None of the following programs or series included any commercial spots (including local ad avails, promos for non-educational programs, and adjacent ads running before or after the program within the same clock hour) that contained references to, characters or actors from or that offered products related to, the underlying program or series. Any instances in which the children's programming commercial limits were exceeded during the referenced calendar quarter are explained in detail below. I further certify that I have been designated by Three Angels Broadcasting Network, Inc. as the official responsible for oversight of compliance with the FCC children's programming commercial limits and I am familiar with the regulations.

I hereby declare under penalty of perjury that the foregoing is true and correct. Executed this 1st day of January 2024.

Sincerely,

Dear Affiliate:

In response to your recent request, this is to certify that HSNi, LLC (“Network”), during the calendar quarter ending December 31, 2023:

- 1) provided closed captioning services on its HSN and HSN2 services delivered to you in compliance with the applicable closed captioning regulations of the Federal Communications Commission (“FCC”).
- 2) had no programs originally produced or broadcast primarily for an audience of children 12 years old and under. Accordingly, none of Network’s programming during such quarter constituted “children’s programming” as defined by Section 73.225 or 73.670, as applicable, of the FCC’s rules, and, therefore, none were subject to the commercialization limits imposed on children’s programming (*see* 47 C.F.R., Section 76.225 or 73.670, as applicable). To the extent we should decide, in the future, to include any children’s programming on our schedule, we would comply with all pertinent FCC requirements and would, at that time, provide notice of the programming change.

Our CALM Act certification and our closed captioning standards certification are located for wide distribution at <http://www.adm.qvc.com/forms.html>.

Should you have any questions, please do not hesitate to contact me.

Sincerely,

A handwritten signature in blue ink that reads "Joseph V. Reilly".
