Organization: Fall Branch Volunteer Fire Department

Position: Public Information Officer, Firefighter

(2) Name: _____

Organization: _____

Position: _____

DISCUSSION SUBJECTS/ISSUES:

As we celebrate this Independence Day weekend, most of us feel a real sense of patriotism and pride...especially when we think about the brave folks who keep our communities safe. Getting to know the men and women who put their lives on the line will only make us appreciate them that much more, so I wanted to highlight a group of heroes who not only risk their lives, but they do it without getting paid.

We discussed what kind of training it takes to be a fire fighter, how they continue their education, how that training helps homeowners save money on insurance, how their shifts work, and how the community can show support.
