Re: FY03MM0248

Dear Licensee:

This letter is in reference to the annual 2002 regulatory fee(s), which were due to the Federal Communications Commission (Commission) by no later than September 25, 2002. This is a mandatory fee established by Congress in accordance with The Omnibus Budget Reconciliation Act of 1993. The fees are used to offset costs associated with the Commission's enforcement, public service, international and policy and rulemaking activities.

The Commission is currently verifying its FY 2002 Mass Media Bureau regulatory fees collection to identify those regulatees who have not paid. Our research indicates that we have no record of your 2002 regulatory fee payment for the following call sign:

WSKOFM

The amount now due is \$925.00 plus 25% penalty of \$231.25 for late payment of the fee(s). The total amount now due is \$1,156.25. Payment in full should be remitted with the enclosed Form 159 to: **Federal Communications Commission, P.O. Box 358835, Pittsburgh, PA 15251-5835 within thirty (30) days** of the date of this letter. You should submit all payments that may be due including the 25% penalty for each call sign. To obtain a copy of the Public Notice for further instructions, go www.fcc.gov and click on "Fees." Then click on Regulatory Fees and locate your particular service.

If payment has been made, please provide a complete copy of your submission including proof of payment. If you believe you are not obligated to pay under the Commission's rules, please submit complete documentation supporting your position **within thirty (30) days** of the date of this letter. These documents should be sent to: **Federal Communications Commission, Revenue & Receivables Operations Group, Room 1A821, 445 12th Street, SW, Washington, DC 20554.**

We urge you to verify that proper payment was made to the Commission for this or any other call sign in past years. If you find that you were responsible for this payment but neglected to provide it in a past year, please remit those additional fees plus a 25% penalty before additional administrative action is undertaken.

You are cautioned that failure to respond and/or pay the penalty will subject you to further sanctions as defined by CFR Section 1.1164 of our Rules. These sanctions include subjecting the delinquent payer's pending applications to dismissal, and may require a delinquent payer to show cause why its existing instrument of authorization should not be revoked. Further sanctions include interest charges, and the full cost of collection to the Federal Government pursuant to Section 3720A of the Internal Revenue Code and the provisions of the Debt Collection Improvement Act of 1996.

If you need further assistance, please contact the Revenue & Receivables Operations Group at (202) 418-1995.
