[REDACTED]

Payton,

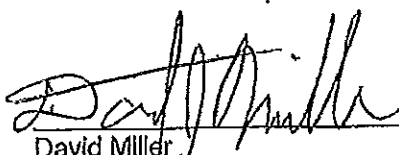

Congratulations, again, on being selected as this year's protégé for the IPTV Mentorship Program. I am looking forward to you being here at IPTV and working with all the professionals in each department.

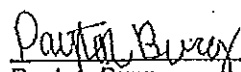

As we discussed in your interview, this is an unpaid position and you are required to provide your own transportation to and from Iowa Public Television. IPTV will provide transportation to remote locations in Des Moines.

During your 8-week tour, you will gather video for the creation of a 4 to 6 minute video feature story about your experience here at IPTV. This story will be presented to the IPTV Production Staff at their August meeting.

You are providing us with proof of your age. This can be either a certificate from Iowa Workforce Development Center, a driver's license or government ID. Your orientation includes information on IPTV policies on our Drug-Free Workplace, Substance Abuse, Smoking - Tobacco Use and Sexual Harassment. Also we will provide you an emergency form for you to fill out.

Thank you and welcome aboard.

[Redacted]

Dear Paige,

Congratulations on being selected for the 2020 Iowa PBS Summer Mentorship Program. I look forward to working with you as we explore different careers within public media. Some of the mentorship work will be performed online and involve different creative professionals at Iowa PBS, and some work will be in person, as safe distancing guidelines allow, either on location or at Iowa PBS's Johnston facilities.

As we discussed in your interview, this is an unpaid position and you are required to provide your own transportation to and from Iowa PBS. If there are assignments at off-site locations, we will provide transportation to these sites from the station.

During your eight-week tour, you will gather video for the creation of a 4 to 6 minute video feature story about your experiences during your mentorship. This story will be presented to the Iowa PBS Production Staff at their August meeting.

I will contact you the week of June 15 to set up an orientation session with you. We'll go over Iowa PBS policies on our Drug-Free Workplace, Substance Abuse, Smoking/Tobacco Use, Sexual Harassment, and we will also provide an emergency form for you to fill out. You will be required to provide proof of your age, which can be either a certificate from Iowa Workforce Development Center, a driver's license or government ID.

Please sign below to acknowledge you understand the information. This letter can be scanned and emailed, or presented during your orientation session. Don't hesitate to call me at 515-725-9755 at any time.

Thank you and welcome aboard!
