Good Afternoon –

Attached is the NAB Form FB-19 for National Right to Life.

This is a Premiere Networks order - #95352

The flight dates are:

10/19/20

10/26/20

This order is scheduled on the stations listed on the attached spreadsheet. If you are receiving this email you need to place all three documents in your station's public file. The attached list of stations includes the show, daypart and number of units for each week for each show. Because different spots are being sent to different stations (depending on the market) I have also included the isci code assignment by call letter.

The Network disclaimer is on the top of the first page of the NAB form.
