**TEXARKANA, Texas --Police have determined a Dec.16 fatal shooting on Wade Lane was the result of domestic violence between a couple.**

**The husband allegedly shot his wife and then turned the gun on himself, said Texarkana Texas Police Spokesman Shawn Vaughn. The husband died at the scene. The woman remains hospitalized but is recovering from her injuries, Vaughn said.**

**TTPD is not releasing the names of the couple due to the nature of the incident, Vaughn said.**

**The incident happened about 1:30 p.m. Dec. 16 in the 400 block of Wade Lane.**

**The call came in as a suspicious circumstance. A child who lives at the duplex arrived home about from school after an early dismissal at noon and could not get inside the residence, Vaughn said. The landlord let police inside, where the victims were discovered.**
