

Texarkana Museums to hold movie night fundraiser

TEXARKANA, Ark. -- Texarkana Museums System will be hosting a movie night showing of "The Sting," starting at 6 p.m., Thursday, Nov. 18, at the 1923 Banana Club at 223 Front St., with dinner included.

The dinner will be catered by Chappos restaurant. Tickets are \$40 per person.

The film, which won seven Oscars, including Best Picture for 1973, features at least five musical compositions written and performed by Scott Joplin, who grew up here.

The movie's setting, which takes place in September, 1936, revived an interest in ragtime music.

Proceeds will go toward repairs on the Ace of Clubs House.
