

COVID Clinics TW

MEH

11/4 (Thurs PM – 4:44)

(Self-contained for KUAR)

Vaccination clinics are being planned for this weekend throughout Arkansas for kids now eligible for a COVID-19 vaccine. KUAR's Michael Hibblen has more:

News15 4:11

SOC

The Department of Health is organizing the clinics Saturday for children ages 5 through 11, with at least one to be held in each of Arkansas' 75 counties. This comes after federal regulators gave final approval Tuesday for Pfizer's COVID-19 vaccine for children. Joining me to talk about what's being planned is Dr. Richard Taffner, an epidemiologist with the Department of Health based out of Mountain Home...
