

- Police are investigating a homicide at Moores Lane and Sidney Drive that caused lockdowns at two nearby middle schools this afternoon

The fatal shooting was reported shortly before 2 p.m. Monday, according to Texarkana Texas Police. A suspect is in custody, said a Texarkana Texas Police spokesman and there is no longer a threat to the community.

No names were immediately available.

Spokesman Shawn Vaughn has identified the alleged shooter as an 18 year old and the deceased as a 17 year old. The shooting is believed to have carried over from a previous argument at Texas High School earlier today

Police responded to the location Monday afternoon after receiving reports of a male lying in the street. The 17 year old was pronounced dead at the scene.

Pleasant Grove Middle School and Williams Memorial Day School went on lockdown because of the shooting, according to school officials.

Vaughn said that the investigation is in the early stages and that no motive has yet been determined
