December 22th, 2023

Issues of Concern to Orlando
Addressed in Responsive Programming in the
4th Quarter, 2023

Subject Description of Issue of Concern

1. Community Events Organizations that offer activities and events for family and community involvement.
2. Community Outreach Organizations that provide support and education for local issues and community concerns.
3. Arts and Education Organizations, local schools, and institutions that promote general education, as well as the cultivation and preservation of the arts (visual art, community theater) in the community.

4. Health/Health Education Organizations that provide resources and awareness on a variety of health-related issues, including particular diseases, and living a healthier life style.
5. Children's Issues Organizations that provide resources, advocacy, and education focused specifically on the medical and psychological health and well-being of children and adolescents in our communities.

**WOCL- FM Programs That Address Community Issues
(Regularly Scheduled Public Affairs Programs)
4th Quarter, 2023**
