### Religious Freedom and Liberty Issues in America

The pillar with which religious freedom and true liberty in America are constructed is that of knowledge. An intelligent understanding of the high cost of these basic human rights and the constant threats to their continuance is essential. Fundamental changes in both societal and governmental attitudes, towards the “First Freedoms” of the United States, should be monitored and recognized by the populace and responded to accordingly. Special programs, dedicated to this pressing threat and community need, as broadcast during this reporting period, are listed below:

#### Issue – Religious Freedom for Whom?

Gene Policinski, CEO of the “Newseum” a museum of the First amendment in Washington, D.C. discussing the First Amendment Center’s recent survey on American attitudes toward the First Amendment. Surveys indicate that nearly one-third of respondents no longer believe that freedom of religion applies to faith-systems that THEY view as “fringe” or “extreme”.
