Religious Freedom and Liberty Issues in America - 36

The pillar with which religious freedom and true liberty in America are constructed is that of knowledge. An intelligent understanding of the high cost of these basic human rights and the constant threats to their continuance is essential. Fundamental changes in both societal and governmental attitudes, towards the "First Freedoms" of the United States, should be monitored and recognized by the populace and responded to accordingly. Special programs, dedicated to this pressing threat and community need, as broadcast during this reporting period, are listed below: .

Issue – Religious liberty in The Workplace

The history of Religious Liberty in the United States has been to protect both employment and freedom of conscience. Some legal lessons appear to require regular review at the US Supreme Court. Host Alan Reinach discusses the issue with Randall Wenger, Chief Council, Independence Law Center Harrisburg, PA

“The Trail of Tears” - 30 minutes – 11-12-2022 at 6:26am and 11-13-2022, @ 12:26pm

Issue – Keeping Promises. Is It Really That Big A Deal?

Following the attack on Pearl Harbor, Hawaii, on December 7th, 1941, the Empire of Japan began a campaign of conquest that displaced many legitimate governments. A few notably displaced leaders made promises to “return.” Another world-leader has promised to return, but after many years, some are beginning to question the promise. Pastor John Bradshaw discusses the history of another special time of war and its consequences for us today.
