7. Boating and fishing safety
8. Texas highways are NOT TRASH CANS
9. Adopt a highway program

It is our Policy to run extra PSA's on weekends when we have our largest listenership. Listenership involvement builds listenership.

We encourage our listeners to suggest PSA Tips that have to do with local requirements such as Hunting and Fishing rules, School ZONE locations and times, Local Food Bank Locations and Hours, Local Fund raising events and school closings.
