Energy Efficiency - Governor Laura Kelly declared Wednesday Energy Efficiency Day — a celebration of reducing energy use by using technology like LED light bulbs.

Ellis food pantry - The annual Ellis Trick or Treat So Others Can Eat is scheduled for 4 p.m. Sunday. The annual food drive benefits the Ellis Food Boxes and Pantry.

Economic outlook - Next Thursday business leaders will gather at BriefSpace for the 2020 Hays Regional Economic Outlook Conference.

Unemployment fraud - The Kansas Secretary of Labor says the agency found 100,000 cases of unemployment fraud during the coronavirus.

Food drive – The Trick or Treat Food Drive benefiting the Hays Community Assistance Center will be a drive-by event this Saturday.

Advanced voting - After a delay advanced voting in Ellis County will begin Thursday

Vaccine Plan - The state says any coronavirus vaccine will go to health care workers first

Kansas Labor Report - Preliminary estimates show some good news - with an asterisk

Flu shots - Some Kansas clinics and hospitals are seeing more people getting their flu shots early in the season

Voting – Polls open this morning in Kansas after a record number of advance ballots have already been casts

Voting – Thousands of mail-in ballots continue to arrive in Kansas

Rent Pay Program - Governor Laura Kelly used her weekly news conference to promote a program announced a few days ago

CARES Act grant - DSNWK has been awarded more than \$11,000 dollars on behalf of the Kansas Children's Cabinet and Trust Fund

School wellness award – Hays USD 489 was awarded a Bronze Inspiring Change Aetna Well-Being Award for the efforts of its Wellness Committee during the last year

COVID and Cancer – The number of breast cancer diagnoses across the country is down more than 50% this year compared to last

USD 489 foundation – The USD 489 Foundation for Educational Excellence presented the district with \$65,000 Monday to be used for continued work on secure school entrances

Rural Broadband Grants – A new grant program will invest \$85 million dollars over 10 years to expand broadband access in Kansas' rural and underserved communities
