**Subject:** CHILDREN'S TELEVISION COMMERCIAL LIMITS REPORT - FIRST QUARTER 2016

April 1, 2016

Dear General Manager:

Attached is the CBS Television Network Certification of Compliance with the Children's Television Commercial Limits for the First Quarter of 2016. Please give the certificate to the individual at your station responsible for the public file.

As you know, the Children's Television Act of 1990 requires every television station to place in its public file, no later than the tenth day after each quarter, documents certifying that all children's programming broadcast by the station during the quarter was in compliance with the Act and Federal Communications Commission regulations.

The attached document, which is suitable for placement in your public file, certifies that all regularly scheduled children's programming distributed by the CBS Television Network during the First Quarter of 2016 was originally produced and broadcast primarily for an audience of children aged 13 to 16, and therefore was not required to comply with the commercial time limits required for programming originally produced and broadcast primarily for an audience of children 12 years of age and younger.

In addition to your responsibilities with respect to network programming, you must place in your public file certification of commercial compliance for any other children's programs subject to the commercial limits (i.e., programs designed and broadcast primarily for an audience of children

aged 12 and under) broadcast by your station within the quarter. You may wish to speak with your broadcast counsel about such reports.

Information pertaining to network programming to assist in your preparation of the First Quarter, 2016 Children's Television Programming Report on FCC Form 398 was emailed to you on March 29, 2016.

# **STATEMENT REGARDING WKBT-TV RECORDS CONCERNING COMMERCIAL LIMITS IN CHILDREN'S PROGRAMS**

As of September 19, 2015, the CBS kids' lineup aired by WKBT-TV consists of the following shows aired every Saturday:

8-8:30am	Lucky Dog

All six of these shows are targeted to the 13-16 year-old audience.

Because FCC rules regarding commercial time limitations are, according to the FCC's website, aimed only at programming "aired primarily for an audience of children 12 years old and younger, WKBT-TV will not be required to post daily logs to show compliance with FCC commercial time limitations as long as the shows listed are the programs making up WKBT-TV's kids' programming.
